

# It pays to have friends!

## YOU SHARE. WE SHARE.

Share PMI with your friends & family and we'll share \$100 with you. It's that simple.

We know there's no finer compliment a company can receive than a word-of-mouth recommendation. We hope your buying and service experiences at Pearson Mechanical Inc. are so satisfying that you feel confident telling your friends and family about them.

When you do recommend us, we want to thank you for the opportunity to help us grow. For every customer you refer who buys a new HVAC system from us, you'll receive \$100. We call it our Friends and Family Referral Program. Use it multiple times, we appreciate every one.

This program is just one more way we want to show you how much we value and appreciate your business. And you can rest assured that we'll treat your family and friends as well as we treat you!

Pearson Mechanical, Inc.
